GLEBE FARM SCHOOL – THE VISION

Glebe Farm School is an authentic and inclusive all-through school providing exceptional early years, primary and secondary education.

Located within the Glebe Farm area of Milton Keynes, the school is the 'beating heart' of this new and developing community, serving children and young people from the immediate residential area and also nearby towns and villages.

We are proud to be part of Inspiring Futures through Learning (IFtL), a family of 14 schools, whose vision is to inspire the future of us all through learning together.

GLEBE FARM SCHOOL – THE VISION

Our vision is to deliver an exceptional 21st century, comprehensive and universal all-through learning experience that will unlock every individual's potential.

- We will value the way in which each child is unique; celebrating diversity and valuing the importance of each other within our community.
- We will demonstrate the highest standards of respect and empathy of others regardless of ability, gender, ethnicity or religion.
- We will uphold high expectations around behaviour, nurtured in a high-trust environment which will promote independence.
- We will be relentless in our endeavours to build secure relationships with each other based on mutual respect.
- We are here for all children, and all learning needs, and will provide personalised support whilst never compromising on raising aspirations for every learner.

GLEBE FARM SCHOOL – THE VALUES

At Glebe Farm School we develop the characteristics of integrity, responsibility, endeavour, bravery and empathy in our staff, children and young people. These core values permeate throughout our school and curriculum.

INTEGRITY

To uphold the highest standards of honesty with the ability and desire to stand up for what is right; developing a strong moral compass that guides you to do the right thing when no one is watching.

RESPONSIBILITY

To take responsibility for your actions and choices; to make others feel valued and respected; to contribute and fully embrace our school community.

ENDEAVOUR

To endeavour to always do your best to face the challenges of school life and beyond; to try for the sake of others as well as the individual; to be consistent in all we do and strive for greatness.

BRAVERY

To be brave when taking risks and facing fears; to be a strength for others when they question their own strength; to remember, it is going to be hard, but hard is not impossible.

EMPATHY

To have the ability to relate to, and connect with, others for the purpose of inspiring and empowering their lives; to demonstrate humility when supporting others to be able to see, hear and feel from the position of another.
