9th November 2022

Dear Parent/Carer

As part of our topic linked to The Great Fire of London, in food technology this half term we will be baking our own bread. In preparation for this, we will be taste testing the following types of breads:

- White bread
- Wholemeal bread
- Cinnamon and raisin bagels
- Tiger bread
- Cheese roll
- Brioche roll
- Olive bread.

The class will then be planning their own bread and flavourings. Please could you inform me if your child has any allergies so I am aware of this before going ahead.

Thank you in advance

Miss Wells
