

## Glebe Farm School Remote Learning Statement

Proudly, we are a one to one device school.

Our learners use Apple iPads as tools to access classroom work through the Showbie platform. This means we have the ability to ensure there is a maximal learning uptake for our learners who may not be able to join the classroom setting.

In the event of unexpected absence/illness, or an unexpected school closure, your child may access classwork set, and complete it should they feel well enough.

For further information, please contact [estewart@glebefarmschool.co.uk](mailto:estewart@glebefarmschool.co.uk)
