Friday 16th December 2022

Dear Parents/Carers,

I hope this letter finds you well, the flurry of snow has certainly put a spring in everyone's step with the excitement of it all!

I have an important message that I need to share with you regarding attendance. Here at Glebe Farm School, attendance at the beginning of the term was in-line or higher than the national (96%) and local average, placing us in a strong position.

However, what we are noticing now is that our attendance over the term has decreased and is now below national and local figures which is below our expected standard.

The difference between our Glebe Farm attendance and that of both local and national figures is of a great concern to us. Therefore, I am reaching out to you, to share this news and ask for your support in ensuring children are in school every day (unless they are too unwell to attend) and that holidays and events are taken within our allocated school holiday periods.

If you have any questions please do not hesitate in contacting us.

The support we get from our families is incredible, and we are very grateful for this, and I hope you will help us to ensure Glebe Farm Schools attendance is back on top and comparing positively with the rest of our locality as well as the national picture.

With warmest wishes,

Matthew Shotton
Head teacher
Glebe Farm School.
