Dear Parents/Carers,

I am writing to inform you of the changes to your child's Crew Lead for the summer term.

To ensure a successful and nurturing transition from Year 6 to 7, we took our four Crews and split them into five, creating a supportive environment where all staff could build positive, reciprocal relationships with our learners.

We are proud of the seamless transition our Year 7s have made and as we say goodbye to Miss Ratcliffe – who leaves us to go on maternity leave this week – we will be moving our five crews back into the four crews originally planned. We are proud of the strong, positive relationships we have formed over the last two terms and look forward to creating opportunities for learners to collaborate with learners from other crews.

We have thought carefully about the most suitable move for each child and have endeavoured to keep friendships together as well as allocating the best Crew and Crew Lead for your child's progress, behaviour and well-being.

Your child will now be following a new timetable; with their new Crew members. Learners will be provided with their Summer Term timetable.

If you wish to discuss this further, please do not hesitate to make contact.

Thank you for your continued trust and support,
Mr S Livesey
Year 7 Lead
