Glebe Farm School is an authentic and inclusive all-through school providing exceptional early years, primary and secondary education from September 2022. Located within the Glebe Farm area of Milton Keynes, our school will be the 'beating heart' of this new and developing community, eventually serving up to 1,530 children and young people from the immediate residential area and also nearby towns and villages. We will provide unrivalled curriculum and enhancement opportunities, enabling pupils and students from all backgrounds to pursue their interests and fulfil their potential.

At Glebe Farm School we develop the characteristics of bravery, empathy, endeavour, integrity and responsibility in our staff, children and young people. These core values permeate throughout our school and curriculum.

This supportive and positive learning community will allow pupils and students to be brave in facing challenges, overcome barriers, and be ambitious in their drive for success. We have an 'open door' policy, and welcome approaches to join our school, from early years, between primary and secondary phases, and any stage in between.

Admissions 2025 – 2026

The number of intended admissions (the Published Admission Number) for our Year 7 in September 2025 is 180

How to apply

The Local Authorities in which IFtL schools sit co-ordinate the admission arrangements for all schools in that Local Authority.

- Milton Keynes:
- Procedures for applying to Heronshaw School are explained at <https://www.milton-keynes.gov.uk/schools-and-lifelong-learning/school-admissions/> which includes a guide for parents and carers.

It is important that parents and carers read this information carefully and meet the deadlines as indicated within. Deadline dates for the return of applications are set by the Local Authorities. Applications must be returned as indicated in the above web addresses.

Entry at Year 7:

Oversubscription criteria

If applications for admission exceed the number of places available, the following order of priority will be applied.

1. 'Looked after' children or children who were previously looked after but immediately after became subject to adoption, residence or special guardianship order.
2. Children of staff who have been employed at the school for two or more years at the time of which the application for admission to the school is made, and / or children of staff who are recruited to fill a vacant post for which there is a demonstrable skill shortage. It is at the absolute discretion of the CEO of Inspiring Futures through Learning to determine when there is a demonstrable skill shortage.
3. Children with a sibling* in attendance at the school at the date of admission.
4. Children living in the listed catchment area.
5. Other children living outside the listed catchment area.

Children with Statements of Special Educational Needs naming Glebe Farm School will be given priority for admission at the normal transfer point at Reception.

Tiebreaker arrangements

In circumstances where the school admissions number has been exceeded in any of the above categories and there is a need to discriminate within the category, preference will be given to those living closest to the school, measured in a straight line to the school main reception using the Local Authority's computerised distance measuring system, with those living nearer to the school receiving the higher priority.

Siblings and multiple birth groups

In cases where there is one remaining place available and the next child on the waiting list is one of a twin, triplet or other multiple birth groups, all siblings* would be admitted even if this goes above the planned number for the school.

*A sibling is a brother or sister, which for admission purposes means brothers and sisters of whole or half blood, or any other child (including an adopted child) who permanently resides at the same address and for whom the parent also has parental responsibility.

Waiting lists

A waiting list will operate for each year group. Where in any year the school receives more applications for places than there are places available, a waiting list will operate until the end of the academic year. This will be maintained by the council on behalf of the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places

become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.
