Dear Parents and Carers,

We are writing to ask for your support in maintaining the high standards and expectations we have for our children, both on their way to and from school. Each morning you will see our staff on duty, ready to welcome our children and families for the day.

However, it has come to our attention there have been a minority of behavioural issues in the public park just next to our school site. We have outlined the behavioural expectations of our learners, in both crew times and assemblies, outlining the importance of upholding the positive reputation of our school, and demonstrating our Glebe Farm values.

We are an ambitious school, with a strong sense of belonging, and creativity at the heart. We value our children, and the positive contributions they can make to our community, and indeed wider society. We therefore ask, you have a positive conversation with your children about the way in which they conduct themselves in public spaces. Again, this is only a minority of issues reported, but we feel a collaborative approach from all will ensure the highest standards are maintained, and ensure the park is enjoyed by all.

Thank you for your continued support.

Yours Sincerely,

Erin Stewart (Deputy Headteacher)
