

Glebe Farm School is partnering with Quantum on their **Better Breakfast Programme**.

We want to improve school breakfasts together - come and join us!

5th-7th March we'll be joined by a team wanting to understand more about **what gets in the way of a good breakfast for children attending school**.

They'll be...

- Seeing our breakfast provision in action
- Speaking to key people involved in breakfast (staff, kids, parents)
- Understanding kids' journeys to school
- Hosting a Thursday morning breakfast activity from 8.30 – 9.30am to brainstorm ways to make breakfast better in our school – **this will include a cooked breakfast.**

If you would like to take part in the Better Breakfast Project and improve the breakfast experience, please email Shaaron Forbes, sforbes@glebefarmschool.co.uk by Monday 4th March to book your place at our cooked breakfast – places are limited act fast!
